

**CHAPTER ONE FARMS  
OFFERS A NEW  
SERVICE FOR YOUR  
RETIRED EQUINE...**

Chapter One Farms offers a unique opportunity for those seeking a safe and happy spot for their retired equine. We will take horses 20+ years and provide a safe environment and round the clock care until they pass. We offer both pasture and stalls according to the equine's needs.

We will take 15 equines. Fee is a onetime fee of \$7000.00 or \$350/month. If interested contact us at 443-253-4135 to discuss your needs and apply for a spot in our program.

The retired equines will not be ridden or driven or used in any capacity. 4-H, Girl Scouts, Boy Scouts, and other volunteer groups will be encouraged to do volunteer hours to brush and love these horses.

Veterinary services available 24 hours per day. See us at [www.chapteronefarms.com](http://www.chapteronefarms.com).
